Sector Partnerships and Pathways

Getting started and staying focused.

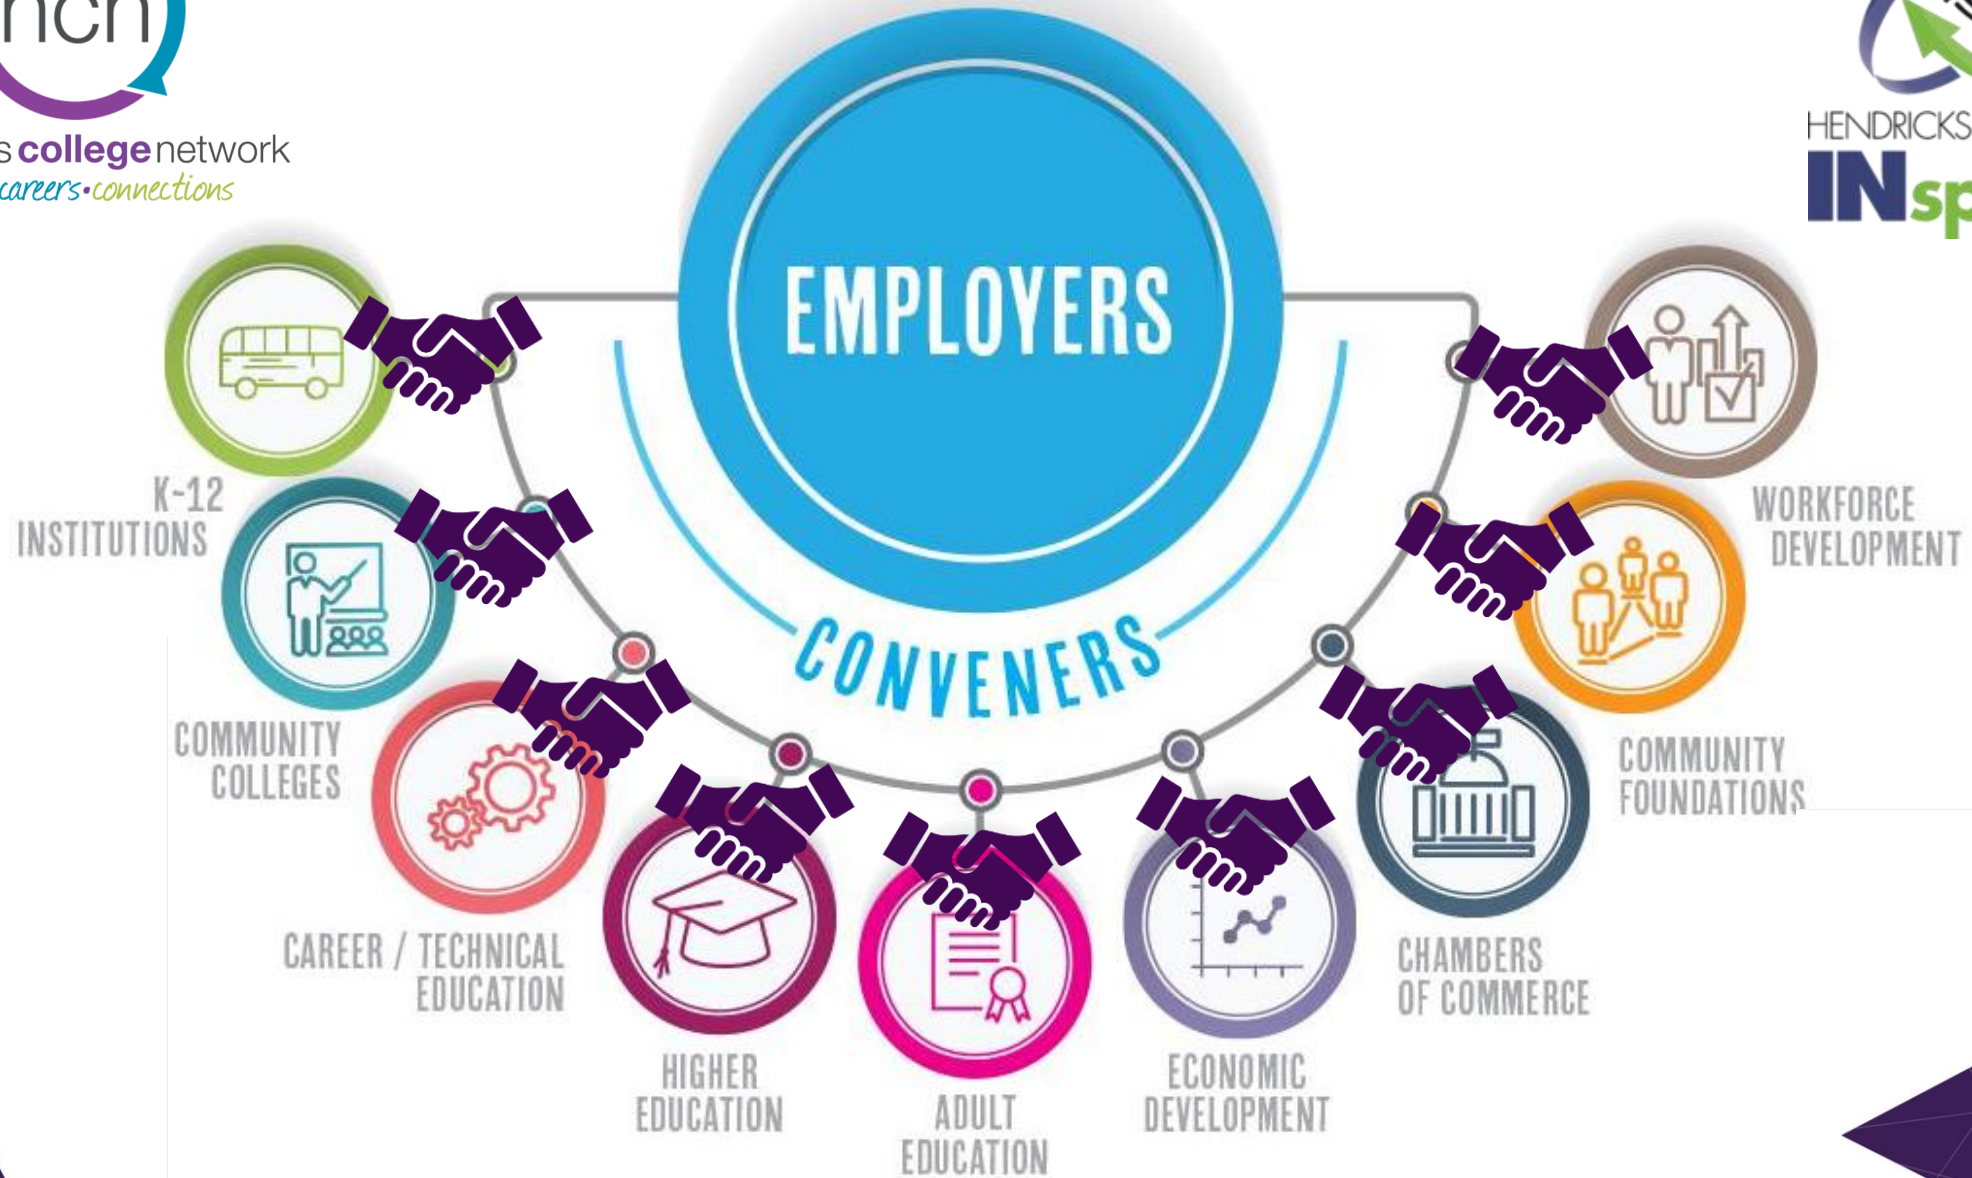

What are the challenges in managing a large
supply chain? How do you ensure that
everyone is on the same page? What
does it take to get the most out of your
supply chain?

Gimme some of that knowledge!

So what were the results and how has that affected the community?

Of the 100 partners in the HLSP, 60 have been successful in securing a partnership with a major logistics provider. The HLSP has also provided 12 training dollars to help with the supply chain industry's turnover rate, which is lower than 50%.
