2018 IEDC Annual Conference Sponsor and Exhibitor Opportunities

September 30 - October 3, 2018

Location: Hyatt Regency Atlanta
265 Peachtree St NE, Atlanta, GA

IEDC's Annual Conference is the must attend event for economic developers. The 2018 Annual Conference theme, "Inclusive Economic Development: Fulfilling Dreams", will address the increasingly complex economic, social, environmental, and political dynamics affecting our communities at the local, regional and state level.

In today's volatile marketplace, communities need to work together to encourage competition and advance economic growth, and Atlanta and Georgia provide the ideal setting for this conference. The state is a premiere living laboratory for its diverse approach to economic development that provides economic opportunities for both people and industry.

IEDC offers a range of sponsorship packages and exhibit opportunities to fit any marketing budget. Your sponsorship allows us to provide world-class speakers, a dynamic and enlightening program, and a valuable networking forum at the conference. Whether you are looking to market your services as an exhibitor or gain unparalleled exposure as an event sponsor, we have the perfect opportunity for you.

Exhibiting organizations have direct access to the leading public and private sector decision makers, and local, state and federal government officials. This is a chance for you to market your products and services while networking at the largest gathering of economic development professionals.

The following pages describe the various sponsorship levels and exhibitor opportunities available at the IEDC Annual Conference in Atlanta. Please visit us on the web at www.iedconline.org to see conference updates and learn more about IEDC.
