

●●●●● Getting Ideas Out of the Lab and
Commercializing for Success

THE ROLE FOR ECONOMIC DEVELOPERS: COMMUNITY COLLABORATION AND SUPPORT

Andrea Margida, TechGrit, President

June 26, 2018

ENTREPRENEUR

Successful entrepreneurs have “grit”
They find assets that enable
their ventures to *thrive!*

- Advisors / Mentors
- Education
- Map to Resources
- Angel Groups/VCs
- Collaboration / Talent / Diversity
- Community
- Events/Competitions

IF YOUR COMMUNITY
DOESN'T HAVE THESE ASSETS
FROM SINGLE STARTUPS
WILL FALORLEAVE

Potential
entrepreneurs
will self-select out
if strong community backing
for innovative startups is
not available!

The Opportunity hub Solution

An entrepreneurial service organization (**ESO**) right-sized for your community.

A custom, sustainable, and fundable **STRATEGY** designed for successful startup programming.

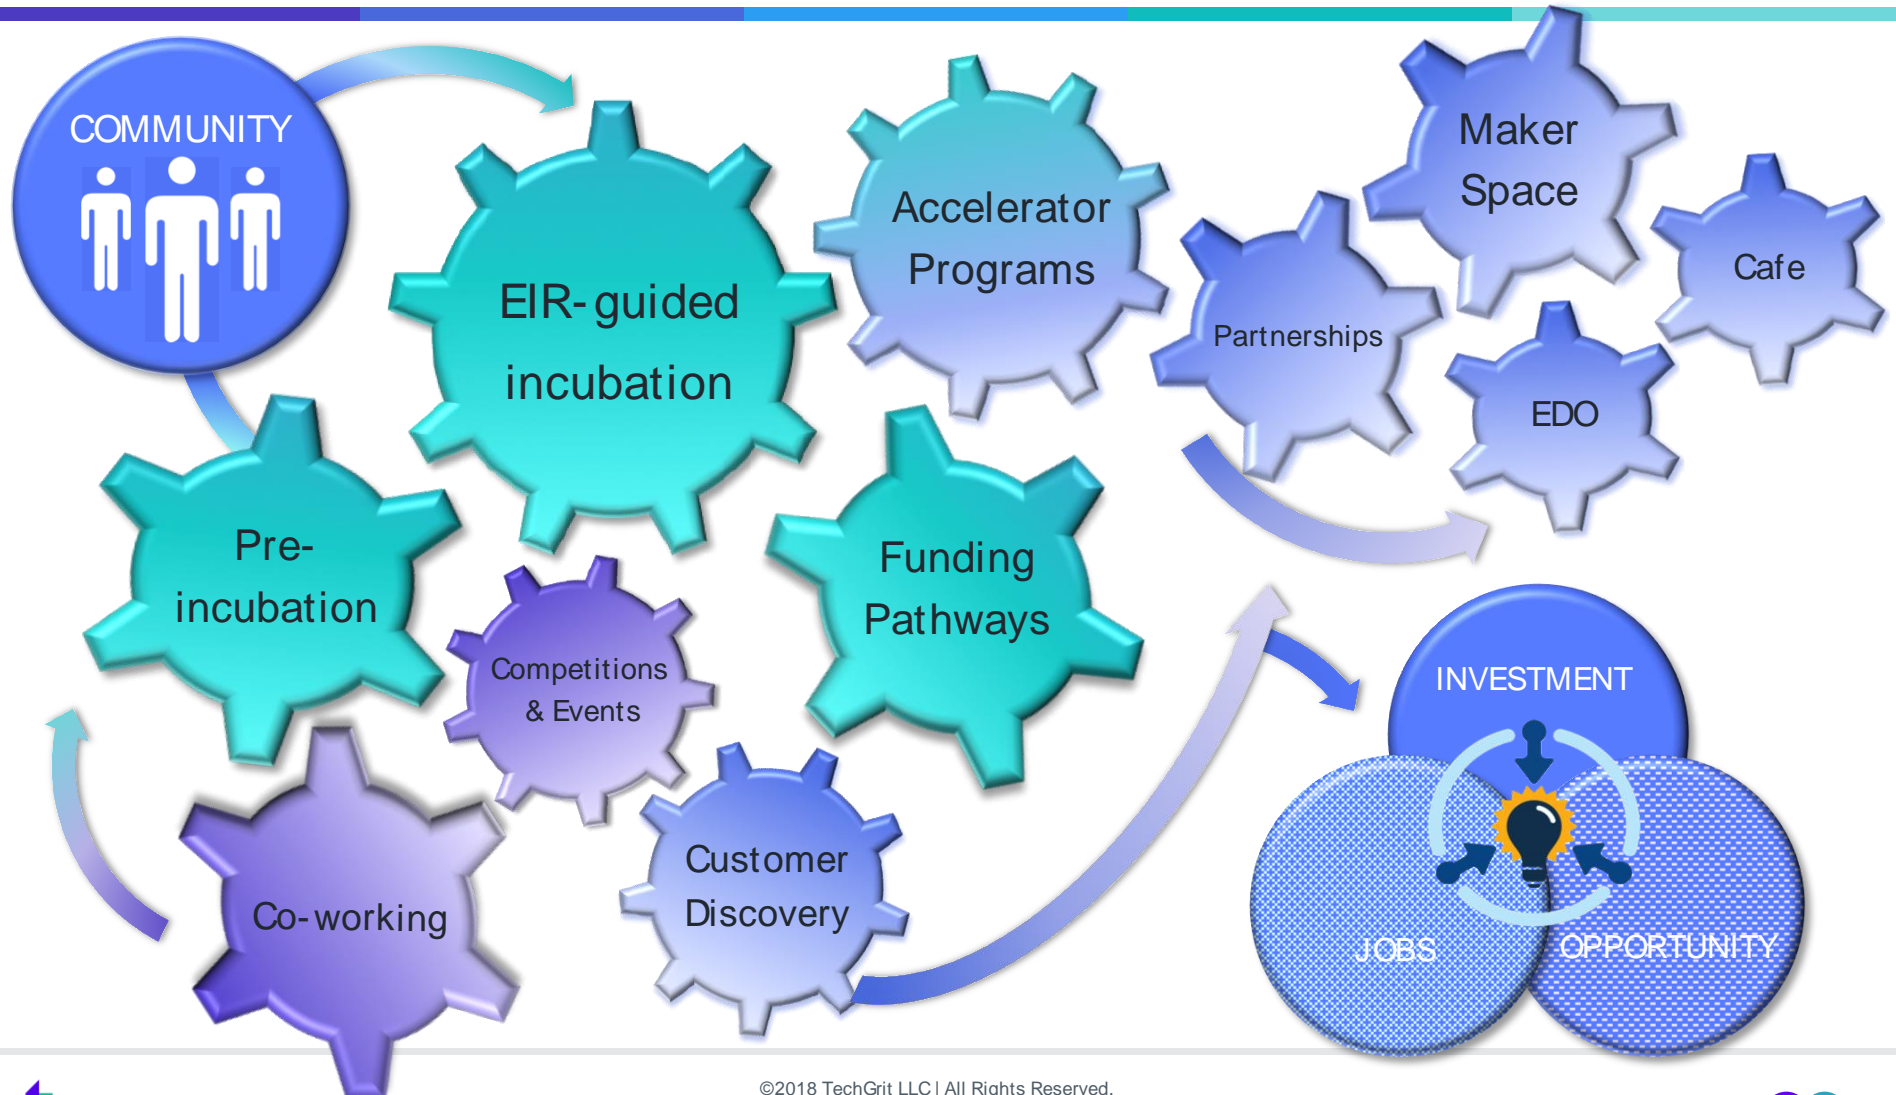

RESULT:

- More startups
- More investment
- More jobs!
