*No direct flights from BNIA. Direct flights depart out of Toronto’s Pearson Airport (1.5 hour drive from Buffalo)
GEICO Timeline

- **June 2003** – initial lead came in via Empire State Development. Gathered information on available real estate (phase one 100,000 square foot, single story facility, phase two 22+ acres to build 250,000 square foot regional headquarters and additional information.

- **August 2003** – GEICO tours four facilities. After tour, client indicated that they would consider Phase One to be 50,000 square feet and to push up the Phase Two build to suit option to one year.

- **October 2003** - Client came for second tour of 8 buildings/sites. Following tour GEICO indicated that they were interested in receiving proposals from local developers Uniland and Ciminelli for phase one and phase two options.

- **November/December 2003** – incentive negotiations and coordination amongst local ED agencies

- **December 2003** – Press announcement

- **January/February 2004** – Continue to work with GEICO on relocation and finalizing incentive opportunities (WIB funding, NYPA, etc.)

- **August 2009**  Invest Buffalo Niagara helps GEICO expands

- **April 2016**  GEICO to acquire the 255,500-square-foot building it currently leases.
