# Henderson Means Business

Resources for Site Selection | Funding | Development Incentives

## Site Selection

We maintain an expansive database of available properties to help match your business needs with options that fit your specific location requirements.

## Funding Options

The economic development team can connect your business with funding sources ranging from micro-loans to venture capital to help establish or expand your Henderson operation.

## Incentives for Locating in a Designated Redevelopment Area

Businesses choosing to locate in certain designated redevelopment areas of Henderson may be eligible for program grants and expedited permitting.

# Henderson Means Business

Resources for Consulting Services | Business Retention | Market Growth

## Confidential Business Consulting Services

Through a city sponsored arrangement with the Small Business Development Center (SBDC), free and confidential business consulting services are available to current or prospective Henderson businesses.

## Business Retention

The Economic Development Department provides a formal business retention program that includes a confidential meeting to address any significant challenges that may impact business operations.

## Market Growth for Your Business Product or Service

The city has access to regional, national, and even international connections that may provide local businesses with opportunities to expand into new markets.

**Henderson Hospital Celebrates its Grand Opening**

The new Henderson Hospital officially opened its doors on Monday, October 31st. Henderson Hospital is located at the corner of Galleria Road and Gibson Drive and anchors the 150 acre integrated healthcare development Union Village. The 142 bed acute care hospital represents the sixth for Valley Health System in Southern Nevada. Union Village will also feature Las Vegas Athletic Club, a long term acute care hospital, an inpatient rehab hospital, a skilled nursing facility, a 400 unit market rate apartment complex, and a wellness center.
